Dear Sir:

In response to the "Interview Summary" dated August 11, 2004, Applicants supply the following summary of the telephonic interview between Applicants' representative, Rachel J. Mejdrich and Examiner Nguyen, which took place on July 21, 2004. During the interview, Applicants' representative pointed out that the Examiner's amendment in the "Notice of Allowance and Fee(s) Due" dated June 23, 2004, which inserted the patent number corresponding to an application number in the "Cross-Reference to Related Patent Applications" of the specification, was redundant. Applicants had proposed such an amendment in the "Response to Office Action" dated May 21, 2004. Applicants' representative and Examiner Nguyen reached an agreement that the Examiner's amendment was in error, and would be corrected by noting the redundancy in an Interview Summary.

Respectfully submitted,

David J. Schodin, Reg. No. 41,294
